LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pre-trial conference in this matter is scheduled for June 17, 2021, at 11:00 a.m. (Dkt. No. 16).

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the initial pretrial conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the Court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order, as will a referral to the District's mediation program. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
